Prickly Paisley Satin Oval Boxes  
by Mary Alice Sinton

Mary Alice Sinton hails from Houston, Texas. She holds a degree in Graphics from Stephens College in Columbia, MO. Mary Alice started out working as a Graphic Artist for architectural firms and later pursued designing quilts. In the summer of 1990, she began studying Japanese Embroider through her local EGA chapter and traveled twice to Japan to study at the Kurenai-Kai school. She has been certified to teach Japanese Embroidery since the fall of 1999 and Japanese Bead Embroidery since the spring of 2004 through JEC in Atlanta. She has exhibited her bead embroidery at Callaway School of Needle Arts shows and won the Judge's Choice award in January 2005. She joined the teaching staff at Callaway in 2007 instructing bead embroidery.

On May 1<sup>st</sup>, SANG has the honor of having Mary Alice Sinton provide the program for our May Luncheon. She will be teaching us the Prickly Paisleys Oval Satin Jewelry Box which is done in the Japanese bead embroidery method. Bead embroidery in the Japanese method incorporates silk embroidery techniques translated with beads rather than silk threads. We will embroider a Prickly Paisleys Box which is great for holding small treasures and adds beauty to your vanity.
